SUMMARY

A visionary, adaptive and strategic team player with keen interest in ICT, Physics, Mathematics and Electronics Engineering, with the zeal to continually advance organizational goals and objectives. A highly focused and adaptive person, with ability to collaborate with and drive team members towards ambitious and feasible strategic growth. A problem solver and a quick learner.

EDUCATION

- **2013 – 2017**
B.Sc. (Physics Electronics) University of Lagos, UNILAG, Lagos, Nigeria.
www.unilag.edu.ng
Project Work: Design and Construction of a digital oscilloscope based on ATmega328P microcontroller. Applied basic mathematics, physics and electronics skills in the design of the blueprint. Utilized Arduino IDE to write the source-code and to compile it into a usable Object-code. Utilized the Proteus CAD software to simulate the design and used the Arduino and ATmega 326p processor to build the project.
- **2001 – 2006**
Secondary School Certificate, Dr Alutu's College, Nnewi Anambra State.
www.waecnigeria.org
Award: Best graduating student award.
- **1995 - 2001**
First School Leaving Certificate, Christ the way school Complex, Uruagu, Nnewi, Anambra State, Nigeria.

PROFILE

- **2017** Award of Excellence, as Speaker of the UNILAG Science Society.
- **2016** Public Relations Officer, ANUNSA (All Nigerian United Nations Students Association), UNILAG Chapter.
