Skills

Analysis and Problem Solving

Research and Presentation

IT and Technology (Ms Office, Python, advanced computer proficiency)

Data Entry and Maintenance

A recent graduate of Pure and Applied Chemistry with a knack for problem solving and research seeking an internship position. Eager to offer excellence and contribute to organizational success while expanding my knowledge and experience.

Work History

2017-04 –
2017-10

Laboratory Assistant (Industrial Training)

Central Research Laboratory, Niger Delta University

- Assisted in collection and preparation of samples for different analysis
- Participated in laboratory equipment maintenance procedures including cleaning and safekeeping
- Conducted laboratory experiments in compliance with established procedures
- Developed reports on laboratory experiment results

2018-11 -
2019-10

Chemistry Tutor (NYSC)

Yesu Doo Secondary School, Makurdi, Benue state

- Created lesson plans and scheduled each day to promote maximum student learning and enrichment.
- Improved academic performance of over 30 students with short time frame and limited teaching resources

2019-09 -
2019-12

Chemistry and Computer Laboratory Instructor

Fortunate Group of Schools, Amassoma, Bayelsa

- Taught Ms Office, and General Computer Literacy to secondary school students.
- Automated student's results compilation using Ms Excel, increasing completion times by several days and improving overall results accuracy.

Education

2014-01 -
2018-01

Bachelor of Science: Chemistry

Niger Delta University - Wilberforce Island, Bayelsa

- Graduated with a Second-Class (Upper) Honours (4.2 CGPA)
- Determined Polycyclic Aromatic hydrocarbon (PAHs) sources in Yenagoa Auto Mechanic Village

using diagnostic ratios (Final year project)

- Successfully completed complex data analysis for final year project using Ms Excel
- Elected to President for Student Chemical Society of Nigeria, Niger Delta University Chapter in 17/18 session. Planned and successfully executed first student's industrial excursion, seminar and workshop

2007-01 -
2012-01

National Examinations Council SSCE

Fortunate Group of Schools - Amassoma , Bayelsa

2005-01 -
2007-02

First School Leaving Certificate

Fortunate Group of Schools - Amassoma , Bayelsa

Hobbies

- Analysis and research
- Enjoys playing musical instruments (formerly member of a brass band)
- Solving computer software and hardware problems
- Football
