PROFILE

Omotayo is an organized professional, with excellent numerical and analytical skills. I am energetic and can work under any conditions, fruitful and a fast learner, an individual who is never tired of achieving his goals at the pinnacles. I seek a career in finance, so that I can exhibit my analytical and financial skills to the best.

I am accented with the latest trends and techniques of the field and have an inborn quantitative aptitude & determined to carve a successful and satisfying career in the industry. Enriched with the ability to learn new concepts & technology quickly. Flexible to accept changes, Vibrant, energetic, and focused with a high degree of versatility, creativity, commitment, and optimism.

An effective team player with exceptional planning and execution skills coupled with a systematic approach and quick adaptability. Highly motivated, positive, and goal-oriented, with analytical approach, ability to build and lead effective teams. Well-developed communication skills with reputation of unwavering accuracy, credibility, and integrity. Working individually and as a team is something I enthuses, which makes it more interesting to face challenges, work under pressure and deliver a successful task with little supervision.
