## EDUCATION/QUALIFICATION OBTAINED WITH DATE

[2015] - [2019]	<b>Bayero University Kano</b> <i>Bachelor of Engineering (Upper Second Class Honor)</i>
[2009] - [2012]	<b>Kaduna Polytechnic, Kaduna</b> <i>National Diploma in Civil Engineering (Upper Credit)</i>
[2002] - [2008]	<b>Ansar-Ud-Deen College Kaduna</b> <i>School Leaving Certificate</i>

## WORKING EXPERIENCE WITH DATE

[2020] - [Till date] **Tongyi Group Limited (Construction of Mararaba Udege, Udege Mbeki Road, Nasarawa Local Government Area, Nasarawa State)**

**Post:** Quality Control Engineer (NYSC)

- **Laboratory Test:** Conducting the following test on soil samples in accordance with British Standard (BS1377) Moisture Content, Specific Gravity, Consistency Limit, Particle Size Distribution, Standard Proctor Compaction and California Bearing Ratio.
- **Insitu Test:** Conducting Insitu Density Test and Insitu California Bearing Ratio at designated location.
- **Reports:** Compilation of test results in hard copies and electronic copy.

- **Site Work**
  - Calculation of concrete volume and reinforcement quantities for drainage work.
  - Supervision of precast concrete drain.

**[2019] - [2020]            Colosseum Consult Nigeria Limited (*Construction of DICON Garment Factory at Kaduna*)**

**Post:** Civil Engineer

- Supervision and quality control of concrete during and after casting.
- General supervision including block laying to ensure they conform with the working drawing

**[2018] - [2019]            Site Engineering Nigeria Limited, Contractor to Sinoma International Engineering Company Limited, Dangote Oil Refinery Lagos (*Construction of Dangote Oil Refinery*)**

**Post:** Civil Engineer (IT Student)

- **Laboratory Test:** Conducting the following test on soil samples in accordance with British Standard (BS1377) Moisture Content, Specific Gravity, Consistency Limit, Particle Size Distribution, Standard Proctor Compaction and California Bearing Ratio.
- **Insitu Test:** Conducting Insitu Density Test and Insitu California Bearing Ratio at designated location.
- **Reports:** Compilation of test results in hard copies and electronic copy.
- **Site Work**
  - Supervising the construction of structural elements making sure construction conforms to design drawing and specification.
  - Calculation of concrete volume and reinforcement quantities.
  - Supervision of concrete during and after casting.
  - Liaising with client and sub-contractor during work inspection (Checking of reinforcement, formwork and taking of level) before concreting.

**[2017]                    Sitech Engineering Limited (*Geotechnical Works*)**

**Post:** Laboratory Technician (IT Student)

- Conducting laboratory tests which include: moisture content determination, specific gravity, consistency limit, particle size distribution, proctor compaction, shear box, consolidation and triaxial tests.
- Computation of test results both in hard and electronic copies.

**[2013] - [2015]            Goshen Engineering Limited, Contractor to Sinoma International Engineering Company Limited, Obajana Cement Plant (*Construction of 6000T/D Cement Plant [Line IV]*)**

**Post:** Laboratory and Field Technician

- **Laboratory Test:** Conducting the following test on soil samples in accordance with British Standard (BS1377) Moisture Content, Specific Gravity, Consistency Limit, Particle Size Distribution, Standard Proctor Compaction and California Bearing Ratio.
- **Insitu Test:** Conducting Insitu Density Test and Insitu California Bearing Ratio at designated location.
- **Reports:** Compilation of test results in hard copies and electronic copy.

**[2010] - [2011]            Sitech Engineering Limited (*Construction of Housing Estate of 2 Bedroom Bungalow Each Detachable*)**

**Post:** SIWES Student (4 month)

- Setting out foundation, supervision of concrete casting, forming of block work
- General supervision to ensure works are been carried out in accordance to the working drawing and specifications.

---

### **COMPUTER SKILLS/ KNOWLEDGE**

AutoCADs, Sketchup (3D Modeling), Microsoft Office, Excel and Corel Draw.
